Council Report

This month I will report on the UBCM Conference held in Whistler from September 27th – Oct. 1st.

Council met with various Provincial Ministers, some meetings were more productive than others but overall, I believe between the meetings and the resolutions brought forward by the District we were successful in our endeavours.

A brief was presented to the Minister of Finance addressing the inadequacies of the Grant In Lieu presently paid by BC Hydro to the municipality. Dave Read from Aspen Communications had been hired by the District to address this issue and report back to council. His report looked at other hydro grants that are presently being paid to other areas, as well as other industry communities that receive taxation from resource based companies. We have asked that the Minister look into this and report back to council in a timely manner.

We spoke with Northern Health regarding the doctor situation. We received no commitments, but they are still looking into a funding formal for physicians in rural northern communities. Rich Coleman, Minister of Housing and Social Development noted that we had missed grants from the last intake, and suggested that we get a plan in place and work with BC Housing to bring this project forward.

We asked the Ministry of Environment to look into mapping BC's aquifers. Water is a big issue and we need to protect this valuable resource.

Hudson's Hope submitted five resolutions for consideration. The intent of all five were endorsed. The resolutions submitted advocated cell phone coverage in rural areas, mapping BC Aquifers, recommending that BC retain the 3 year term for elected officials vs. the suggested 4 year term, restore the core funding for emergency management, emergency social services and first responder training to the previous levels, and reinstatement of the mandate for BCUC.

Each year small communities meet and discuss relative issues. It is always interesting to see that we generally face the same problems and offer up suggestions to help one another with these issues. This year the topics focused on Doctor attraction and retention, nuisance wildlife, maintenance of rural roads and thankfully we had no issues with the rave festivals that are happening in remote areas of the south eastern area of the province. These festivals are a huge strain on the local communities, their police force, and emergency services.

Six elected officials from the north now sit on the UBCM executive. This gives the north a huge voice at the provincial table.

Enough about politics! With the newly fallen snow my mind moves forward to the upcoming months of celebrations. Check out the arena schedule and support Minor Hockey by taking in a hockey game and supporting our local kids. Our events coordinator is working hard on Halloween activities, followed closely by the Remembrance Day celebration and soon the holiday season will be upon us. Please come out and enjoy these community activities.

Just a reminder that all council meetings are open to the public. Please come out and see what your council is doing for you.

Mayor Karen Anderson

SNOW REMOVAL

*A*t the Regular Council meeting held on Tuesday, October 12, 2010, the District of Hudson's Hope Council voted in favour of discontinuing the practice of having the public works crew provide snow removal ser-

vices to private residences. This change will
take effect immediately.

The decision was based on the increased cost
of providing this service, the amount of time
that this program takes away from providing
other essential services as well as potential
liability issues for the District.

We recognize this program has been a long
standing tradition within the community and
as such, we are dedicated to investigating
other means to assist those residents who
truly require assistance with snow removal. A
committee will be formed to provide recom-
mendations to Council on this issue. Anyone
interested in being part of this committee are
requested to contact the District Office at 250
-783-9901.

It has been suggested that other communities
have managed this issue by developing a

“Snow Angel” network, where residents who are truly in need of assistance with snow removal services are matched up with volunteers to provide help to those in need. If you are willing to give some of your time this winter towards helping your neighbours with snow clearing, please contact us so we can form a list of volunteers for this program.

For those residents who are unable to physically manage their snow removal requirements, but can afford to pay someone, there are a number of local contractors available to provide this service. Many are advertised around town and a list of these service providers will be available at the District Office.

If you have any questions or concerns please contact the Director of Public Works, Mike Carter, or the CAO, Charles Nash at the District Office at 250-783-9901.

PROPERTY MAINTENANCE BYLAWS

There will be an Open House on Thursday, November 4th, 2010 at 7 pm in the District Office Council Chambers. This open house is for public input to Council on a new Property Maintenance Bylaw. All interested parties are welcome to attend. Copies of the bylaw are available at the District Office.

Library

Large Print Books: the library has received funding from Talisman to enlarge the collection of large print books. Our collection is now growing in size. We have some new westerns, mystery and romances available.

Shut Ins: with the approach of winter the library understands it is harder to get out for some patrons, therefore we are willing to drop books off to those who have difficulties getting about in the winter. Please call the library and we will be more than happy to add your name to the list.

Kids Literacy Station: the library is purchasing more materials to use on the literacy computers. New programs will be soon available. Children are welcome to come in and to learn and play on this excellent resource.

Remembrance Day: Just in time for Remembrance Day the library has received a donation of the DVD set “The Canadian Army Newsreels”. This complete set of 6 DVD’s contain a series of 106 newsreels filmed and produced by the Canadian Army Unit during World War II.

Kid’s Programs:

Story time: every Tuesday at 10:30 am
After School Club: every Wednesday at 3:30 pm

Book Club: the library is interested in hosting a book club this winter. If you are interested please call the library @ 250-783-9414

Lecture Series: the library has access to some great DVD's to view and discuss as a group. Some of the titles are; The Human Body: how we fail, how we heal; The History of the English Language; and Questions of Value. It has been suggested that Sunday night would be a great time. If you are interested in this please call the library.

Museum

The Museum Social, on October 23rd was a great success!

More than ninety people came out to support the museum and enjoyed a great evening. There was a wonderful spaghetti dinner cooked by Nedra and a lovely presentation by Jay Sherwood about his new book, "Return to Northern British Columbia" (now available at the museum).

The big raffle took place at 8 and was drawn by Olive Powell. The bistro table was won by Jean Graham, the tent and camping supplies was won by Kevin Vig and the three day Peace River trip was won by Connie Powell. The Museum would like to congratulate all the winners. The museum would also like to thank all the people and companies that supported the museum by donating items for the silent/live auction and the bucket draws! Don't forget the Museum is online; Check out the website at www.hudsonshopemuseum.com to see for yourself!

We are now on Facebook and Twitter! Join our group and follow our page for the latest museum news and updates.

For November, the Museum will be open 9-5, Monday to Friday. If you would like any further information, please call the museum by phone at (250) 783-5735 or by email the museum at hhmuseum@pris.ca.

Ski Club

IT'S SNOWING!!! Perfect timing, as Ken Janzen of Janzen Enterprises has just mowed the hill. Thanks so much Ken! Our Vice President, Ian, says they will hang the fly wheels? bull wheels? or whatever (glad he knows what he's doing!) on the lift on the next nice day. So, if we get the snow and the safety permit, we just may be skiing, boarding, sledding and tobogganing by Christmas.

Thanks so much to all the present and past ski club members who have never given up on making the Ski Hill a reality. Due to the closure of Freddy's Deli, the Ski Club meetings will now be held at Forrester's house @ 7:00 pm on the 4th Thursday of the month. Everyone is welcome. Thanks, Nedra.

LET IT SNOW!!

Thank You

A heartfelt thank you to Steve and Grace and to the Bullhead Mountain Curling Club for organizing the wonderful send off for us. Thank you to everyone who came out to say goodbye. Once again we realized what a great community Hudson's Hope is. We are proud and grateful at the same time for having been a part of this community for a while. Thank you.

Heidi & Kaspar

The Hudson's Hope Fire Department would like to thank Northpoint Energy for their \$500 donation to the Department.

FRIENDS OF HUDSON'S HOPE

The Friends of Hudson's Hope would like to thank you all very much for your generous donations for the Christmas Hampers and Food Bank last year.

As the holiday season is fast approaching, we would like to let you know that we are now accepting donations for this year's Christmas Hampers.

Food items or cash donations can be dropped off at the Thrift Store Monday to Saturday from 1 pm—4 pm.

Thank you very much for your support.

The Hudson's Hope School would like to extend a big thank you to Talisman Energy for the donation of four concrete picnic tables to our school. Also, thank you to Ken Janzen (Lewy's Lawn Care and Landscaping) for volunteering his time and equipment to assemble the tables on a cold snowy day!

YOU ARE INVITED:
BC HYDRO PUBLIC MEETING
PEACE WATER USE PLAN UPDATE

BC Hydro received approval from the provincial Comptroller of Water Rights for the Peace Water Use Plan (WUP) in August 2007. The plan sought to achieve a better balance between many different water uses on the Peace River while giving BC Hydro clear management guidelines for its operations at W.A.C. Bennett and Peace Canyon dams, and Williston and Dinosaur reservoirs.

Since then, we have undertaken a number of physical works projects and monitoring studies that are required as part of the WUP to meet our Peace Water Licence Requirements.

BC Hydro is meeting with communities in the Peace region to provide a progress update on what we have been doing to meet the Peace Water Licence Requirements.

To find out more about the Peace WUP, progress made to date, and to let us know what you think, please come to our public information meeting:

Hudson's Hope School

The Family Picnic & Games Night was a huge success. We had over 125 parents, students and community members join us for an evening of food and fun. A big thank you goes out to our Cooking class (and Ms. Ackroyd) for preparing the tasty salads. Thank you to our Board Chair (Gordon Anderson) for delivering and returning the big barbeque, and also to Mr. D. Heiberg & L. Huxley for flipping so many burgers (and of course Mr. B. Heiberg for running volleyball all evening....he didn't even get a burger!). Finally, thank you to Mrs. Kehl & Mrs. Tilsner for organizing the craft table. What a fun community event. It was really enjoyable to meet so many new faces and to be able to welcome folks to our school.

Walls of Fame: Our student awards from last year have been mounted on the walls in the elementary wing and secondary wing. They look fantastic, and are a great way to celebrate our student success. A huge thank you to the many community sponsors for purchasing the plaques (Durango Oilfield Services Ltd, Indulgences by Catherine, The Sportsman's Inn, The Hodgkinson Family, The Lion's Club, TACSOTE, Rosaleen Ward, Bob & Beverly Bach, and W6 Contracting.

A big thank you to the Grad Class of 2010 for donating their extra Grad Trip funds to the school. They donated approximately \$1500.00 divvied up between the Shop class, Foods class, and Cruisin' Days. What a wonderful donation from the youth of our community.

Thank you to the "Sportsman's Inn" as well as "On the Rim", for generously donating food-prizes for our student of week award certificates.

Thank you to Talisman-Energy for donating four concrete picnic tables to our school.

Special Events

Perfect Pumpkin Painting Wow! What an incredibly perfect event. There were 52 folks of all ages who came out to paint some extraordinary pumpkins from owls, clowns, ghouls and festive fall colours.

TACSOTE Pie a la Mode and Coffee House What an amazing event! Thanks to all those who helped make this event a grand success. The music was divine...undoubtedly inspired by the Pie God, Pious. The pies were heaven sent; an art form all their own. Then there were the canvases ..wow... we have talent in Hudson's Hope.

Thank you TACSOTE! You help promote and shape the arts and culture of this town.

Glen Geological Hike A special thanks to Jan Hammack for volunteering her time to provide interesting information on the unique land formations at the Glen. Thanks to all who came out to take advantage of the hike.

District of Hudson's Hope gets Healthier This month the District employees participated in a "Doing in October for Health and Happiness" workplace program made possible by a grant from British Columbia Recreation and Parks Association. They used pedometers to count steps – 10,000 a day is the recommended number to reach. They had a ball at a "Have a Ball" workshop. And collected incentive prizes for earning points. Way to do it.. taking steps in the right direction.

Frightful Frolics Sunday, October 31st 1-4 pm @ Pearkes Center Fiendish, frightful fun for the whole family. Wear your costume, bring your trick or treat bag and your nerves. Collect treats at every station. Get ready to carve the scariest or most booo.. tiful pumpkin ever. Halloween crafts and candy guesses. Free goodies and beverages too.

Please note the location change.

November 11th Remembrance Day Ceremony Starts at 10:45 at HH Cenotaph at District Office

Join us at the Community Hall for free coffee and goodies and check out the many displays.

Veteran's Dinner on November 11th at 6 pm at Community Hall

All veterans are welcome. If you are a veteran, and you are not sure if you are on the invitation list, please contact the District Office at 250-783-9901.

Christmas Bingo Friday, November 26th at Community Hall at 7 pm

Win all the things to make the holidays complete. A complete Christmas dinner to be won for the grand prize – includes turkey and all the trimmings.

Admission is a non perishable food donation for the Hudson's Hope Food Bank. If you have a bingo dotter, bring it along. Hot chocolate and candy canes to be served. A DOHH Special Event. Children must be supervised by an adult.

Reviving The Spirit presents: *Senior Moments*

On November 19th & 20th, RTS will present our first ever comedy production, *Senior Moments*, a series of five funny, slightly offbeat, slightly naughty short plays about seniors. Speaking about the overwhelming response to his play, playwright Donald R. Fried says, "It's clear that the themes resonate with seniors and younger people alike. Most importantly, seniors love to laugh at themselves, and nothing is taboo."

Senior Moments will be interwoven with live musical interludes performed by singer/songwriter Fred Bassett, who calls music "the song of our souls," and sings about the people and places in the northwestern United States and western Canada that have touched him most deeply.

Tickets are \$20, and are available at Marg's Mini-Mart or by calling 783-5655. As is usual at RTS events, beverages are included. *Senior Moments deals with mature themes and is not suitable for children.*

We are always looking for new members. If you have any interest in theatre - from acting to set design...from costumes to ticket sales - we need you. Please call RTS at 783-5655 for more information about how you can get involved.

RCMP

On October 1st police were called to three separate incidents involving two males on a dirt bike driving erratically on the highway. One male was wearing a helmet and the other was only wearing a baseball cap. The males traveled the highway toward Fort St. John, were driving erratically in Jamieson subdivision and were also seen at Dinosaur lake. Patrols for the bikes were negative.

On October 3rd police were dispatched to a complaint of an intoxicated female who was causing damage to the inside of her residence. Police arrived and removed a very intoxicated female. She was lodged into cells until she was sober enough to care for herself.

On October 5th police were dispatched to an injury motor vehicle incident south of the Peace Canyon Dam. A Fort St. John male was located in his vehicle unconscious by another motorist and said he had fallen asleep. The male was transported to Chetwynd hospital to have his injuries treated. The male was issued a violation ticket for driving without due care.

On October 5th police were conducting radar enforcement in the Hudson's Hope school zone when a vehicle traveled through the school zone at 102 km/h. Police pulled the vehicle over and spoke with a Chetwynd male who could not provide his drivers licence. With new legislation that came into effect on September 20th the drivers vehicle was towed and impounded for seven (7) days for excessive speed. The male was also issued a violation ticket for excessive speed and failing to produce his drivers licence.

On October 6th police received a report of an Impaired motor vehicle incident on Beryl Prairie Road. Information obtained was the male driver from Fort St. John was intoxicated and sped through the construction zone at a high rate of speed. When police arrived and approached the male he attempted to evade police for approximately 3 km. The male was arrested and charged with several criminal code offences. He was remanded into custody to appear in court and pled guilty to several of the offences including impaired driving, flight from police, and breach probation. He was sentenced to 60 days jail and received a years driving prohibition.

On October 8th police were advised by security at Talisman Energy campsite off of Beryl Prairie road had located individuals with a controlled substance, marijuana. Police seized the drug and both males from Alberta lost their jobs as Talisman has a zero tolerance with drugs and alcohol.

On October 10th police assisted the Hudson's Hope Fire Department with blocking the road near the arena, as a tree fell onto some power lines. These power lines were live and started a small grass fire. BC Hydro were very busy due to the wind storms in the region and power was restored later that night. Several false alarms were also called in from the power outage as

many businesses remained closed.

On October 13th police were called to the Hudson's Hope school where a 3 year old child was found on school property without her parents. Parents were located at home and a small amount of marijuana was seized from the residence. Ministry of Family and Child Development were notified.

On October 17th police were dispatched to a complaint of drugs found at the Talisman Energy Campsite. Camp security located marijuana hash and paraphernalia in a males belongings. The items were seized and the male lost his job.

On October 19th police received information that two minors returned to school after lunch and were high on drugs. Police attended a residence and located two youths in the residence who had just finished smoking marijuana. A small amount of marijuana was seized along with several different types of paraphernalia. The two males were arrested for possession and both were charged with breaching their conditions of no illegal drug use. Both males will be attending court at a later date for these charges.

On Oct 24th police responded to a report of a loud party on Beattie Drive. The property rep was advised to shut the party down or receive a ticket for the noise. One intoxicated guest was removed from the residence and taken home.

On Oct 26th police received a report of a residential B & E in Hudson's Hope. The suspect was identified, arrested, and remanded in custody to appear in court in Fort St John on Oct 27. The 31 year old Hudson's Hope resident faces charges of B&E, Mischief, Breach Probation, and Breach Undertaking x 6. *Cpr. Darren Woroshelo, Hudson's Hope RCMP*
